

WILSON LEARNING CHINA NAMES NEW PRESIDENT

Edina, Minn. — February 14, 2008 — Wilson Learning China, part of Wilson Learning Worldwide, a global provider of Human Performance Improvement solutions, today announced that it has appointed Bai Xiang as its new President, effective February 14, 2008.

Mr. Bai comes to Wilson Learning from IBM China, where he was the Senior Managing Consultant & Practice Leader of Talent Management and Learning Solutions. He has over 10 years of professional experience in the IT and consulting business, including more than five years of business development and management experience with a strong focus on the Human Capital Management (HCM) business in the China market.

"Bai Xiang will be a tremendous asset to Wilson Learning with his exceptional leadership skills and business development expertise," remarks Hideaki Sekine, President of Wilson Learning Worldwide. "We are sure he will have a major impact in the ongoing development of our services and approach, and we look to Mr. Bai to help drive China's growth strategy for the future."

"I'm excited to join such an established organization, with over 20 years of selling in the China market," declares Bai Xiang, President of Wilson Learning China. "With all of the rapid growth in China, Wilson Learning China is committed to helping organizations achieve sustainable growth through sustainable performance improvement."

Mr. Bai has an MS of Computer Application from the Graduate School of Fundan University in China.
